

## TDW Season Subscriber FAQs

**Q:** What are the benefits of a Drama Workshop season subscription?

**A:** TDW subscribers receive many benefits that are not available to single tickets buyers. In addition to great discounts on all of our shows, TDW subscribers are able to exchange their tickets in advance of performances and receive priority seating in the theater. Purchase your subscription by 7/1/16 and receive a bonus Bring-A-Friend ticket to the show of your choice.

**Q:** How will my seats be reserved for me?

**A:** Season subscribers will have their names placed on their seats at their chosen performance. If you would like to bring a guest to the show, call the box office in advance of the show to have your guest's seat reserved next to yours. Please give us at least 48 hours to process your request.

**Q:** What if I need to exchange my tickets for another date?

**A:** No problem! Email or phone the box office at least 48 hours in advance of your show date to request a change. Your new tickets will be held for you at the box office on the new date you choose. Pick up your tickets at the box office before the new performance. If you would like your tickets sent to you instead of held at the box office, please return your tickets with a stamped self-addressed envelope. Please give at least 48 hours notice of all date changes.
