TDW – MEMBERSHIP EXPECTATIONS AND RESOURCES

PURPOSE

The Drama Workshop is committed to the creative fulfillment of our members involved in our productions. We recognize our members' health and safety on each production is an absolute prerequisite to that creative fulfillment.

This document establishes TDW's expectations regarding:

- Intimate on-stage contact (kissing, etc.)
- Dangerous on-stage contact (fighting, falls, etc.)
- Sexual Harassment and Bullying

Also established here in this document are resources for members to pursue when these guidelines aren't followed.

SEXUAL HARASSMENT

The Drama Workshop does not tolerate sexual harassment among our volunteers. Sexual harassment can include unwelcome sexual advances, persistent offensive sexual jokes, sharing of offensive material, inappropriate or unwelcome touching, or any conduct of a sexual nature which interferes with the performance of a person's role or which creates an intimidating, hostile or offensive environment.

HAZARDOUS CONTACT

Fights Scenes: All fight and fall action will have a designated fight choreographer. Ample time will be given to ensure the safety of all involved. All changes will be communicated to the cast through the fight choreographer.

Intimate Contact: All intimate contact will be blocked by the director or a person assigned by the director, with the consent of the actors. This blocking will include which body parts are in contact, in what manner, and for how long. All blocking of intimate and fight contact must be followed by actors without adlib.

BULLYING

Bullying is not tolerated at The Drama Workshop. This can include any health-harming mistreatment, including threatening, humiliating or intimidating behaviors, sabotage, or verbal abuse.

CONFIDENTIAL ADVISOR

The production will establish a Confidential Advisor (CA) for reporting of issues. The CA is a liaison and reporting channel between the participants and the production (director and producer). The CA will solicit concerns from cast members and deliver (with anonymity when possible) to the production. The CA will hold regular one-on-one check-ins with cast members involved in intimate/fight contact both during pre-production and once the production opens. Any cast or crew member can utilize the CA to report concerns to the production anonymously, whether involved in fight/intimate contact or not. Every concern will follow TDW's CONCERN RESOLUTION PATH (CRP). The CA for TDW's 2023-24 season will be named and made clear to the cast of each production.

AGREEMENT

By signing below, I agree that I will follow the guidelines above while volunteering at The Drama Workshop. I acknowledge that behavior in violation of these guidelines can result in actions up to and including dismissal from a production, revocation of TDW membership, and barring from involvement in future TDW productions.
