BECKY'S NEW CAR

Becky Foster is caught in middle age, middle management and in a middling marriage—with no prospects for change on the horizon. Then one night a socially inept and grief-struck millionaire stumbles into the car dealership where Becky works. Becky is offered nothing short of a new life...and the audience is offered a chance to join the wild ride. **BECKY'S NEW CAR** is a thoroughly original comedy with serious overtones, a devious and delightful romp down the road not taken.

DEAR WORLD

Based on the celebrated French play, *The Madwoman of Chaillot*, and created by the same team who wrote *Mame*, this gem of a musical is set in post-World War II Paris. When a greedy business conglomerate decides to blow up the Chaillot district of Paris in order to pump out the oil reserve beneath the city, an eccentric woman and her friends set out to thwart them in quite an unusual way. The score features shining examples of Jerry Herman's driving, upbeat melodies and lilting, sentimental ballads. Don't miss this opportunity to see this newly revised, rarely performed Jerry Herman musical. *Produced through a special arrangement with Concord Theatricals*
