CORE

July 25 – Aug 10, 2025 By Tim Firth. Directed by Micheal Kiser

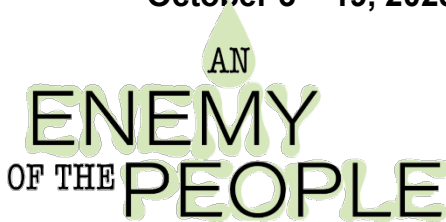

**CALENDAR GIRLS** is based on the true story of Annie and her best friend Chris who resolve to raise money for Leukemia research by persuading their fellow Women's Institute members to pose nude for an "alternative" calendar.

Produced through a special arrangement with Concord Theatricals

CORE

October 3 – 19, 2025 by Henrik Ibsen, Adapted by Robert Falls. Directed by Tom Peters

**AN ENEMY OF THE PEOPLE** explores what happens when a water contamination crisis puts a community in peril, causing two brothers face off in a battle of political ambitions and moral integrity. Nearly 150 years after Ibsen's masterpiece first thrilled audiences, the issues this play raises remain timeless. This will be the regional premiere of Robert Falls' unique adaptation which moves the play to a modern setting.

Presented through a special arrangement with Robert Falls

December 5 – 21, 2025 by David Grapes and Todd Olson. Directed by Linda Abbot

Get all jingly and tinsel-ed up for **CHRISTMAS MY WAY**. It's beginning to look a lot like a fresh, knocked out, coo-coo, groovy Rat Pack style Christmas. Complete with 40 swinging hits, nothing will be silent in this night as an ensemble of singers serve up cool versions of the Great American Songbook standards and holiday favorites.

Produced through a special arrangement with Summerwind Productions

Add On

January 9-11, 2026. Selected Short Plays by Local Authors.

**HOME BREW THEATRE 9** will be the ninth installment TDW's celebration of local playwrights and local beer. Join us for a selection of witty and thought-provoking ten-minute plays by local authors, and a chance to raise a glass with the actors, directors and writers at a post-performance reception. It's a TDW tradition and has quickly become the premier short play festival in town!

February 27 – March 15, 2026 by Lauren Gunderson. Directed by Becky Collins

**SILENT SKY** is the true story of Henrietta Leavitt and her fellow women "computers" as they transformed the science of astronomy. This inspiring drama explores the determination, passion and sacrifice of the women who redefined our understanding of the cosmos during a time of social and scientific progress.

Presented by special arrangement with Dramatists Play Service

May 1 – 17, 2026 by Moss Hart. Directed by Dane Rogers and Sarah Louise Rogers

Moss Hart's classic **LIGHT UP THE SKY** is a fast-paced, witty and ultimately loving look behind the scenes as a company performs and out-of-town tryout for a play they're intending to open on Broadway. The stresses of a new show take the actors and director to the edge in hilarious fashion!

Presented by special arrangement with Concord Theatricals

Our 2025-26 Season gives you options! We are offering our five "core" shows (shown with the checkmark above) and the option to round out the season with our local tradition:

**HOME BREW THEATRE 9** as your sixth play.

Either way, a TDW subscription is still the best entertainment value in town!
